Design of proforma and process of feedback evaluation:

| S.N. | Description | Academic year (2023-24) |
|------|-------------------------------------|-------------------------|
| 1 | Number of feedback Items | 40 |
| 2 | Number of feedback levels | 05 |
| 3 | Any performance/attendance profile? | No |
| 4 | Frequency of feedback collection | Twice in year |
| 5 | Feedback collection | Online |
| 6 | Feedback analysis | Online |

Feedback analysis and percentage of student's participation:

| S.N. | Description | Academic year |
|------|---|---|
| | | 2023-24 |
| 1 | Feedback collected for all courses? | All theory & practical courses |
| 2 | Specify the feedback collection process | Online process without disclosing the student's identity |
| 3 | Who collects the feedback? | Responsibility is assigned to selected staff members for the collection of feedback |
| 4 | When feedback is collected? | At the end of semester |
| 5 | Percentage of students participating | More than 90 % |

Specify the feedback analysis process:

| S.N. | Description | Remarks |
|------|------------------------------------|--|
| 1 | Is this done manually? | No, it's an online process |
| 2 | What metrics are calculated? | Time sense, subject command, use of teaching methods, class control & helping attitude |
| 3 | What is inferred from the metrics? | Strengths and areas of improvement |
| 4 | Is the analysis transparent? | Yes, the scores for teacher's evaluation are assigned online on the basis of feedback received from the students. The questions having top scores are considered as strengths while bottom scores are considered as an area of improvement for the teachers. |

System of reward /corrective measures etc.:

Rewards:

1. Issue of appreciation letters mentioning the strengths of teachers.
2. Appreciation through mention in public functions and/or staff meetings.

Number of Rewards:

AY (2023-24; Term-I) = 21

AY (2023-24; Term-II) = 15

Details of Awards/ Appreciation:

Award or appreciation is offered to those faculty members that scores marks equal to or more than 80% (Excellent grade) for the 2023-24.

| AY (2023-24) | | |
|---|--|---|
| Sr. No. | Corrective Action / Measures | Reason |
| 1 | Counselling of faculty members who received average grades in feedback | To inform faculty members about their areas of improvement by presenting a detailed feedback analysis report and to motivate them to achieve excellent grades in student feedback in the coming semesters |
| Some of the corrective measures implemented in previous years have been carried forward into the 2023-24 academic year such as use of innovative teaching methods, practical lab manuals use etc. | | |
